LOCAL BUSINESSES GETTING CREATIVE FOR THE HOLIDAYS

ALTADENA, CA, DECEMBER 1, 2020 — The Altadena Chamber of Commerce is helping business owners get creative this holiday season. On Saturday, November 21, 2020, local businesses were invited to participate in Shop Altadena: A Virtual Holiday Mixer, where they could share their services and product offerings. The event was free to the public and was a great opportunity to support local businesses. Many local businesses are committed to remaining open during the holidays by offering online shopping, deliveries and curbside pickup. With just a touch of a few computer keys or a phone call, Altadena residents may conveniently enjoy the joys of the season while shopping with businesses in our community.
